Helio Energy Joint Stock Company

REPORT OF THE LEGAL REPRESENTATIVE

The Legal representative of Helio Energy Joint Stock Company ("the Company") is pleased to present this report and the separate financial statements of the Company for the year ended 31 December 2025.

THE LEGAL REPRESENTATIVE'S RESPONSIBILITY IN RESPECT OF THE SEPARATE FINANCIAL STATEMENTS

The Legal representative is responsible for the separate financial statements of each financial year which give a true and fair view of the separate financial position of the Company and of the separate results of its operations and its separate cash flows for the year. In preparing those separate financial statements, the Legal representative is required to:

- ▶ select suitable accounting policies and then apply them consistently;
- ▶ make judgements and estimates that are reasonable and prudent;
- ▶ state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the separate financial statements; and
- ▶ prepare the separate financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue its business.

The Legal representative is responsible for ensuring that proper accounting records are kept which disclose, with reasonable accuracy at any time, the separate financial position of the Company and to ensure that the accounting records comply with the applied accounting system. He is also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Legal representative confirmed that he has complied with the above requirements in preparing the accompanying separate financial statements.

STATEMENT BY THE LEGAL REPRESENTATIVE

The Legal representative does hereby state that, in his opinion, the accompanying separate financial statements give a true and fair view of the separate financial position of the Company as at 31 December 2025 and of the separate results of its operations and its separate cash flows for the year then ended 31 December 2025 in accordance with Vietnamese Accounting Standards, Vietnamese Enterprise Accounting System and the statutory requirements relevant to the preparation and presentation of the separate financial statements.

The Company has subsidiaries as disclosed in the separate financial statements in accordance with Vietnamese Accounting Standards, Vietnamese Enterprise Accounting System, and the relevant legal regulations on the preparation and presentation of separate financial statements. In addition, the Company also prepared the consolidated financial statements of the Company and its subsidiaries for the year ended 31 December 2025 in accordance with the above prevailing regulations on the preparation and presentation of consolidated financial statements.

Users of the separate financial statements should read them together with the said consolidated financial statements in order to obtain full information on the consolidated financial position, consolidated results of operations and consolidated cash flows of the Company and its subsidiaries.

INDEPENDENT AUDITORS' REPORT

To: The Shareholders of Helio Energy Joint Stock Company

We have audited the accompanying separate financial statements of Helio Energy Joint Stock Company ("the Company") as prepared on 18 March 2025 and set out on pages 5 to 42, which comprise the separate balance sheet as at 31 December 2025, and the separate income statement and the separate cash flow statement for the year then ended and the notes thereto.

The Legal representative's responsibility

The Company's Legal representative is responsible for the preparation and true and fair presentation of these separate financial statements in accordance with Vietnamese Accounting Standards, Vietnamese Enterprise Accounting System and the statutory requirements relevant to the preparation and presentation of the separate financial statements, and for such internal control as the Legal representative determines is necessary to enable the preparation and presentation of the separate financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' responsibility

Our responsibility is to express an opinion on these separate financial statements based on our audit. We conducted our audit in accordance with Vietnamese Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the separate financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the separate financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the separate financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the Company's preparation true and fair presentation of the separate financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Legal representative, as well as evaluating the overall presentation of the separate financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Shape the future
with confidence

Opinion

In our opinion, the separate financial statements give a true and fair view, in all material respects, of the separate financial position of the Company as at 31 December 2025, and of the separate results of its operations and its separate cash flows for the year then ended in accordance with Vietnamese Accounting Standards, Vietnamese Enterprise Accounting System and the statutory requirements relevant to the preparation and presentation of the separate financial statements.

2.1 *Purpose of preparing the separate financial statements*

The Company has subsidiaries as presented in Notes 1 and 10 to the financial statements. The Company has prepared these separate financial statements in accordance with the Vietnamese Accounting Standards, the Vietnamese Enterprise Accounting System, and the statutory requirements relevant to the preparation and presentation of separate financial statements. In addition, as required by these regulations, the Company has also prepared the consolidated financial statements of the Company and its subsidiaries for the year ended 31 December 2025 ("the consolidated financial statements"), dated 18 March 2026, in compliance with the above prevailing regulations applicable to the preparation and presentation of consolidated financial statements.

Users of the separate financial statements should read them together with the said consolidated financial statements in order to obtain full information on the consolidated financial position, consolidated results of operations and consolidated cash flows of the Company and its subsidiaries.

2.2 *Accounting standards and system*

The separate financial statements of the Company expressed in Vietnam dong ("VND"), are prepared in accordance with Vietnamese Enterprise Accounting System and Vietnamese Accounting Standards issued by the Ministry of Finance as per:

- ▶ Decision No. 149/2001/QD-BTC dated 31 December 2001 on the Issuance and Promulgation of Four Vietnamese Accounting Standards (Series 1);
- ▶ Decision No. 165/2002/QD-BTC dated 31 December 2002 on the Issuance and Promulgation of Six Vietnamese Accounting Standards (Series 2);
- ▶ Decision No. 234/2003/QD-BTC dated 30 December 2003 on the Issuance and Promulgation of Six Vietnamese Accounting Standards (Series 3);
- ▶ Decision No. 12/2005/QD-BTC dated 15 February 2005 on the Issuance and Promulgation of Six Vietnamese Accounting Standards (Series 4); and
- ▶ Decision No. 100/2005/QD-BTC dated 28 December 2005 on the Issuance and Promulgation of Four Vietnamese Accounting Standards (Series 5).

Accordingly, the accompanying separate financial statements, including their utilisation are not designed for those who are not informed about Vietnam's accounting principles, procedures and practices and furthermore are not intended to present the financial position and results of operations and cash flows in accordance with accounting principles and practices generally accepted in countries other than Vietnam.

2.3 *Applied accounting documentation system*

The Company's applied accounting documentation system is the General Journal system.

2.4 *Fiscal year*

The Company's fiscal year applicable for the preparation of its separate financial statements starts on 1 January and ends on 31 December.

2.5 *Accounting currency*

The separate financial statements are prepared in VND which is also the Company's accounting currency.

NOTES TO THE SEPARATE FINANCIAL STATEMENTS (continued)
as at 31 December 2025 and for the year then ended

2. BASIS OF PREPARATION (continued)

2.6 Accounting regulation issued but not yet effective

On 27 October 2025, the Ministry of Finance issued Circular No. 99/2025/TT-BTC providing guidance on the enterprise accounting regime ("Circular 99"), replacing Circular No. 200/2014/TT-BTC providing guidance on the enterprise accounting regime issued by the Ministry of Finance on 22 December 2014 and several other related regulations. Circular 99 takes effect from 1 January 2026 and applies to enterprises with a financial year beginning on or after 1 January 2026.

The Company is in the process of assessing the impact of Circular 99 on the preparation and presentation of its financial statements and will implement Circular 99 for the financial year ending 31 December 2026.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

3.1 Cash

Cash comprise cash on hand and cash at banks.

3.2 Receivables

Receivables are presented in the separate balance sheet at the carrying amounts due from customers and other debtors, after provision for doubtful debts.

The provision for doubtful debts represents amounts of outstanding receivables at the balance sheet date which are doubtful of being recovered. Increases or decreases to the provision balance are recorded as general and administrative expense in the separate income statement. When bad debts are determined as unrecoverable and accountant writes off those bad debts, the differences between the provision for doubtful receivables previously made and historical cost of receivables are included in the separate income statement.

3.3 Inventories

Inventories are measured at their historical costs. The cost of inventories comprise costs of purchase and other directly related cost incurred in bringing the inventories to their present location and condition.

In case the net realizable value is lower than the original price, it must be calculated according to the net realizable value.

Net realizable value represents the estimated selling price in the ordinary course of business less the estimated costs to complete and the estimated costs necessary to make the sale.

The perpetual method is used to record inventories, which are valued as follows:

Raw materials, merchandise, tools and supplies - Cost of purchase on a weighted average basis.

NOTES TO THE SEPARATE FINANCIAL STATEMENTS (continued)
as at 31 December 2025 and for the year then ended

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

3.3 *Inventories* (continued)

Provision for obsolete inventories

An inventory provision is created for the estimated loss arising due to the impairment of value (through diminution, damage, obsolescence, etc.) of raw materials, finished goods, and other inventories owned by the Company, based on appropriate evidence of impairment available at the separate balance sheet date.

Increases or decreases to the provision balance are recorded into the cost of goods sold account in the separate income statement. When inventories are expired, obsolescence, damage or become useless, the difference between the provision previously made and the historical cost of inventories are included in the separate income statement.

3.4 *Tangible fixed assets*

Tangible fixed assets are stated at cost less accumulated depreciation.

The cost of a tangible fixed asset comprises its purchase price and any directly attributable costs of bringing the tangible fixed asset to working condition for its intended use.

Expenditures for additions, improvements and renewals are added to the carrying amount of the assets and expenditures for maintenance and repairs are charged to the separate income statement as incurred.

When tangible fixed assets are sold or retired, any gain or loss resulting from their disposal (the difference between the net disposal proceeds and the carrying amount) is included in the separate income statement.

3.5 *Leased assets*

The determination of whether an arrangement is, or contains a lease is based on the substance of the arrangement at inception date and requires an assessment of whether the fulfilment of the arrangement is dependent on the use of a specific asset and the arrangement conveys a right to use the asset.

A lease is classified as a finance lease whenever the terms of the lease transfer substantially all the risks and rewards of ownership of the asset to the lessee. All other leases are classified as operating leases.

Where the Company is the lessee

Rentals under operating leases are charged to the separate income statement on a straight-line basis over the lease term.

Where the Company is the lessor

Assets subject to operating leases are included as the Company's investment properties in the separate balance sheet.

Lease income is recognised in the separate income statement on a straight-line basis over the lease term.

NOTES TO THE SEPARATE FINANCIAL STATEMENTS (continued)
as at 31 December 2025 and for the year then ended

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

3.6 Depreciation

Depreciation of tangible fixed asset are calculated on a straight-line basis over the estimated useful life of each asset as follows:

Buildings and structures	15 years
Machinery and equipment	10 -15 years
Office equipment	3 years
Means of transmission	10 years
Solar panels	15 years

3.7 Investment properties

Investment properties are stated at cost including transaction costs less accumulated depreciation.

Subsequent expenditure relating to an investment property that has already been recognised is added to the net book value of the investment property when it is probable that future economic benefits, in excess of the originally assessed standard of performance of the existing investment property, will flow to the Company.

Depreciation and amortisation of investment properties are calculated on a straight-line basis over the estimated useful life of each asset as follows:

Buildings and structures	15 years
--------------------------	----------

Investment properties are derecognised when either they have been disposed of or when the investment properties are permanently withdrawn from use and no future economic benefit is expected from its disposal. The difference between the net disposal proceeds and the carrying amount of the assets is recognised in the separate income statement in the year of retirement or disposal.

Transfers are made to investment properties when, and only when, there is a change in use, evidenced by ending of owner-occupation, commencement of an operating lease to another party or ending of construction or development. Transfers are made from investment properties when, and only when, there is change in use, evidenced by commencement of owner-occupation or commencement of development with a view to sale. The transfer from investment property to owner-occupied property or inventories does not change the cost or the carrying value of the property for subsequent accounting at the date of change in use.

3.8 Borrowing costs

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing costs are recorded as expense for the year in which they are incurred.

3.9 Prepaid expenses

Prepaid expenses are reported as short-term or long-term prepaid expenses on the separate balance sheet and amortised over the period for which the amounts are paid or the period in which economic benefits are generated in relation to these expenses.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

3.10 *Investments*

Investments in subsidiaries

Investments in subsidiaries over which the Company has control are carried at cost.

Distributions from accumulated net profits of the subsidiaries arising subsequent to the date of acquisition are recognised in the separate income statement. Distributions from sources other than from such profits are considered a recovery of investment and are deducted to the cost of the investment.

Investments in other entities

Investments in other entities are carried at cost.

Provision for diminution in value of investments in entities

Provision of the investment is made when there are reliable evidences of the diminution in value of those investments at the separate balance sheet date.

Increases or decreases to the provision balance are recorded as finance expense in the separate income statement.

3.11 *Payables and accruals*

Payables and accruals are recognised for amounts to be paid in the future for goods and services received, whether or not billed to the Company.

3.12 *Share capital*

Ordinary shares

Ordinary shares with voting right are recognised at par value.

3.13 *Appropriation of net profits*

Net profit after tax (excluding gain from a bargain purchase) is available for appropriation to shareholders after approval in the annual general meeting, and after making appropriation to reserve funds in accordance with the Company's Charter and the Vietnamese regulatory requirements.

The Company maintains the reserve funds which are appropriated from the Company's net profit as proposed by the Board of Directors and subject to approval by shareholders at the annual general meeting.

Bonus and welfare fund

This fund is set aside for the purpose of pecuniary rewarding and encouraging, common benefits and improvement of the employees' benefits, and presented as a liability on the separate balance sheet.

NOTES TO THE SEPARATE FINANCIAL STATEMENTS (continued)
as at 31 December 2025 and for the year then ended

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

3.14 Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, excluding trade discount, rebate and sales return. The following specific recognition criteria must also be met before revenue is recognised:

Revenue from electricity sales

Revenue from electricity sales is determined based on the power purchase agreements executed between the Company and the customers, along with the relevant contract appendices. Revenue is recognized based on the monthly electricity sales volume as confirmed by both parties. The selling price of electricity is determined in accordance with Decision No. 13/2020/QĐ-TTg dated 6 April 2020 issued by the Prime Minister.

Rendering of services

Where the contract outcome can be reliably measured, revenue is recognised by reference to the stage of completion. Stage of completion is measured by percentage of work completed as accepted by customers.

If the outcome of a contract cannot be reliably estimated, revenue shall be recognized only to the extent of the recoverable costs that have been incurred.

Rental income

Rental income arising from asset operating leases is accounted for on a straight-line basis over the lease term.

Interest

Interest is recognized on an accrual basis based on the time and actual interest rate for each period.

Dividend and profit distribution income

Dividend and profit distribution income are recognized when the Company is entitled to receive dividends or when the Company is entitled to receive profits from its capital contributions.

3.15 Taxation

Current income tax

Current income tax assets and liabilities for the current and prior years are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted as at the separate balance sheet date.

Current income tax is charged or credited to the separate income statement, except when it relates to items recognised directly to equity, in which case the current income tax is also dealt with in equity.

Current income tax assets and liabilities are offset when there is a legally enforceable right for the Company to set off current tax assets against current tax liabilities and when the Company intends to settle its current tax assets and liabilities on a net basis.

NOTES TO THE SEPARATE FINANCIAL STATEMENTS (continued)
as at 31 December 2025 and for the year then ended

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

3.15 Taxation (continued)

Deferred tax

Deferred tax is provided using the liability method on temporary differences at the reporting date between the tax base of assets and liabilities and their carrying amount for financial reporting purposes.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- ▶ where the deferred tax liability arises from the initial recognition of an asset or liability in a transaction which at the time of the related transaction affects neither the accounting profit nor taxable profit or loss;
- ▶ in respect of taxable temporarily differences associated with investments in subsidiaries, associates where timing of the reversal of the temporary difference can be controlled and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, carried forward unused tax credit and unused tax losses, to the extent that it is probable that taxable profit will be available against which deductible temporary differences, carried forward unused tax credit and unused tax losses can be utilised, except:

- ▶ where the deferred tax asset in respect of deductible temporary difference which arises from the initial recognition of an asset or liability which at the time of the related transaction, affects neither the accounting profit nor taxable profit or loss; and
- ▶ in respect of deductible temporarily differences associated with investments in subsidiaries, associates, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Previously unrecognised deferred tax assets are re-assessed at each separate balance sheet date and are recognised to the extent that it has become probable that future taxable profit will allow the deferred tax assets to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realised or the liability is settled based on tax rates and tax laws that have been enacted at the reporting date.

Deferred tax is charged or credited to the separate income statement, except when it relates to items recognised directly to equity, in which case the deferred tax is also dealt with in the equity account.

NOTES TO THE SEPARATE FINANCIAL STATEMENTS (continued)
as at 31 December 2025 and for the year then ended

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

3.15 *Taxation* (continued)

Deferred tax (continued)

Deferred tax assets and liabilities are offset when there is a legally enforceable right for the Company to off-set current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority on:

- ▶ either the same taxable entity; or
- ▶ when the Company intends either settle current tax liabilities and assets on a net basis or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

3.16 *Segment information*

A segment is a component determined separately by the Company which is engaged in providing products or related services (business segment) or providing products or services in a particular economic environment (geographical segment), that is subject to risks and returns that are different from those of other segments.

The Company's business segments are primarily determined based on the type of products and services provided. The Legal representative identifies the Company's geographical segments based on the location of the Company's assets, which are mainly located within Vietnam. As a result, the presentation of geographical segments information is not required.

3.17 *Related parties*

Parties are considered to be related parties of the Company if one party has the ability to, directly or indirectly, to control the other party or exercise significant influence over the other party in making financial and operating decisions, or when the Company and other party are under common control or under common significant influence. Related parties can be enterprises or individuals, including close members of their families.

22. CORPORATE INCOME TAX

The corporate income tax ("CIT") rate applicable to the Company is prescribed under the Corporate Income Tax Law No. 67/2025/QH15 ("Law No. 67") issued by the National Assembly, which takes effect from 1 October 2025 and applies from the 2025 corporate income tax period. Accordingly, the CIT rate applicable to the Company is 17% of taxable profit (2024: 20%).

The tax returns filed by the Company are subject to examination by the tax authorities. As the application of tax laws and regulations is susceptible to varying interpretations, the amounts reported in the separate financial statements could change at a later date upon final determination by the tax authorities.

22.1 CIT expense

Taxable income subject to standard tax rate of 17%	3,557,198,832	-
CIT expenses	604,723,801	1,083,915,670

22.2 Current tax

The current CIT payable is based on taxable profit for the current year. The taxable profit of the Company for the year differs from the profit as reported in the separate income statement because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are not taxable or deductible. The Company's liability for current tax is calculated using tax rates that have been enacted by the separate balance sheet date.

24. SEGMENT INFORMATION

The primary segment reporting format is determined to be business segments as the Company's risks and rates of return are affected predominantly by differences in the products and services produced. Secondary information is reported geographically. The operating businesses are organised and managed separately according to the nature of the products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets, includes the following business segments:

- ▶ Electricity production activities;
- ▶ Rendering consulting and management services;
- ▶ Other business services include operating leases and agricultural operations.

The Legal representative identifies the Company's geographical segments based on the location of the Company's assets, which are mainly located within Vietnam. As a result, the presentation of geographical segments information is not required.

Hanoi, March 18, 2026.

Regarding: Disclosure of Interim
Separate Income Statement for the
year 2025

**Honorable: The State Securities Commission;
Hanoi Stock Exchange.**

Based on Circular No. 96/2020/TT-BTC dated November 16, 2020, issued by the Ministry of Finance on providing guidelines on disclosure of information on securities market.

Based on Circular No. 68/2024/TT-BTC dated September 18, 2024, issued by the Ministry of Finance amending and supplementing several articles of Circular No. 96/2020/TT-BTC dated November 16, 2020, issued by the Ministry of Finance on providing guidelines on disclosure of information on securities market.

Helio Energy Joint Stock Company (*hereinafter referred to as "the Company"*) with ticker HIO would like to explain to the State Securities Commission and the Hanoi Stock Exchange the differences in net profit after tax on the separate financial statements for the year 2025 as follows:

Currency: VND

No	Indicator	2024	2025	Year-over-year comparison	
				Difference	Percentage (%)
1	Net profit after tax	4,947,249,672	14,670,128,137	9,722,878,465	196.53%

In 2025, the Company recorded a net profit after tax of VND 14,670,128,137, representing a 196.53% increase compared to the previous year. The increase in the Company's profit after tax was primarily driven by a significant increase in financial income. Specifically, financial income increased by VND 12,545,942,847 compared to 2024, largely due to the profit distribution received from subsidiaries in 2025. Although expenses such as cost of good sold and general and administrative expenses also saw an increase of VND 1,072,739,786 and VND 1,607,987,475 respectively compared to the previous year, the growth in financial income outweighed the rise in these costs. Consequently, this drove the Company's profit after corporate income tax up by VND 9,722,878,465 compared to 2024.

The Company respectfully submits this report to inform The State Securities Commission and Hanoi Stock Exchange of the changes in the Company's after-tax profit during the quarter.

Best Regards./.
